Indian Design

A love with its roots in antiquity, and great respect for the earth and the clays it yields; loving ceramics also means loving nature. promoting actions to safeguard the

The image features two vertical wooden planks standing upright in a field of dry, brown grass and scattered autumn leaves. The plank on the left is a dark, rich brown color with a prominent, wavy wood grain pattern. The plank on the right is a much lighter, pale tan color with a more subtle, straight wood grain. In the background, a large, gnarled tree trunk is visible on the left, and the overall scene is bathed in a warm, golden light, suggesting a late autumn or early morning setting. The text 'natural' is written in a light, serif font at the top of the dark plank, and 'wooden' is written in the same font at the top of the light plank.
