# FEATURES

## **ROCK COLLECTION**

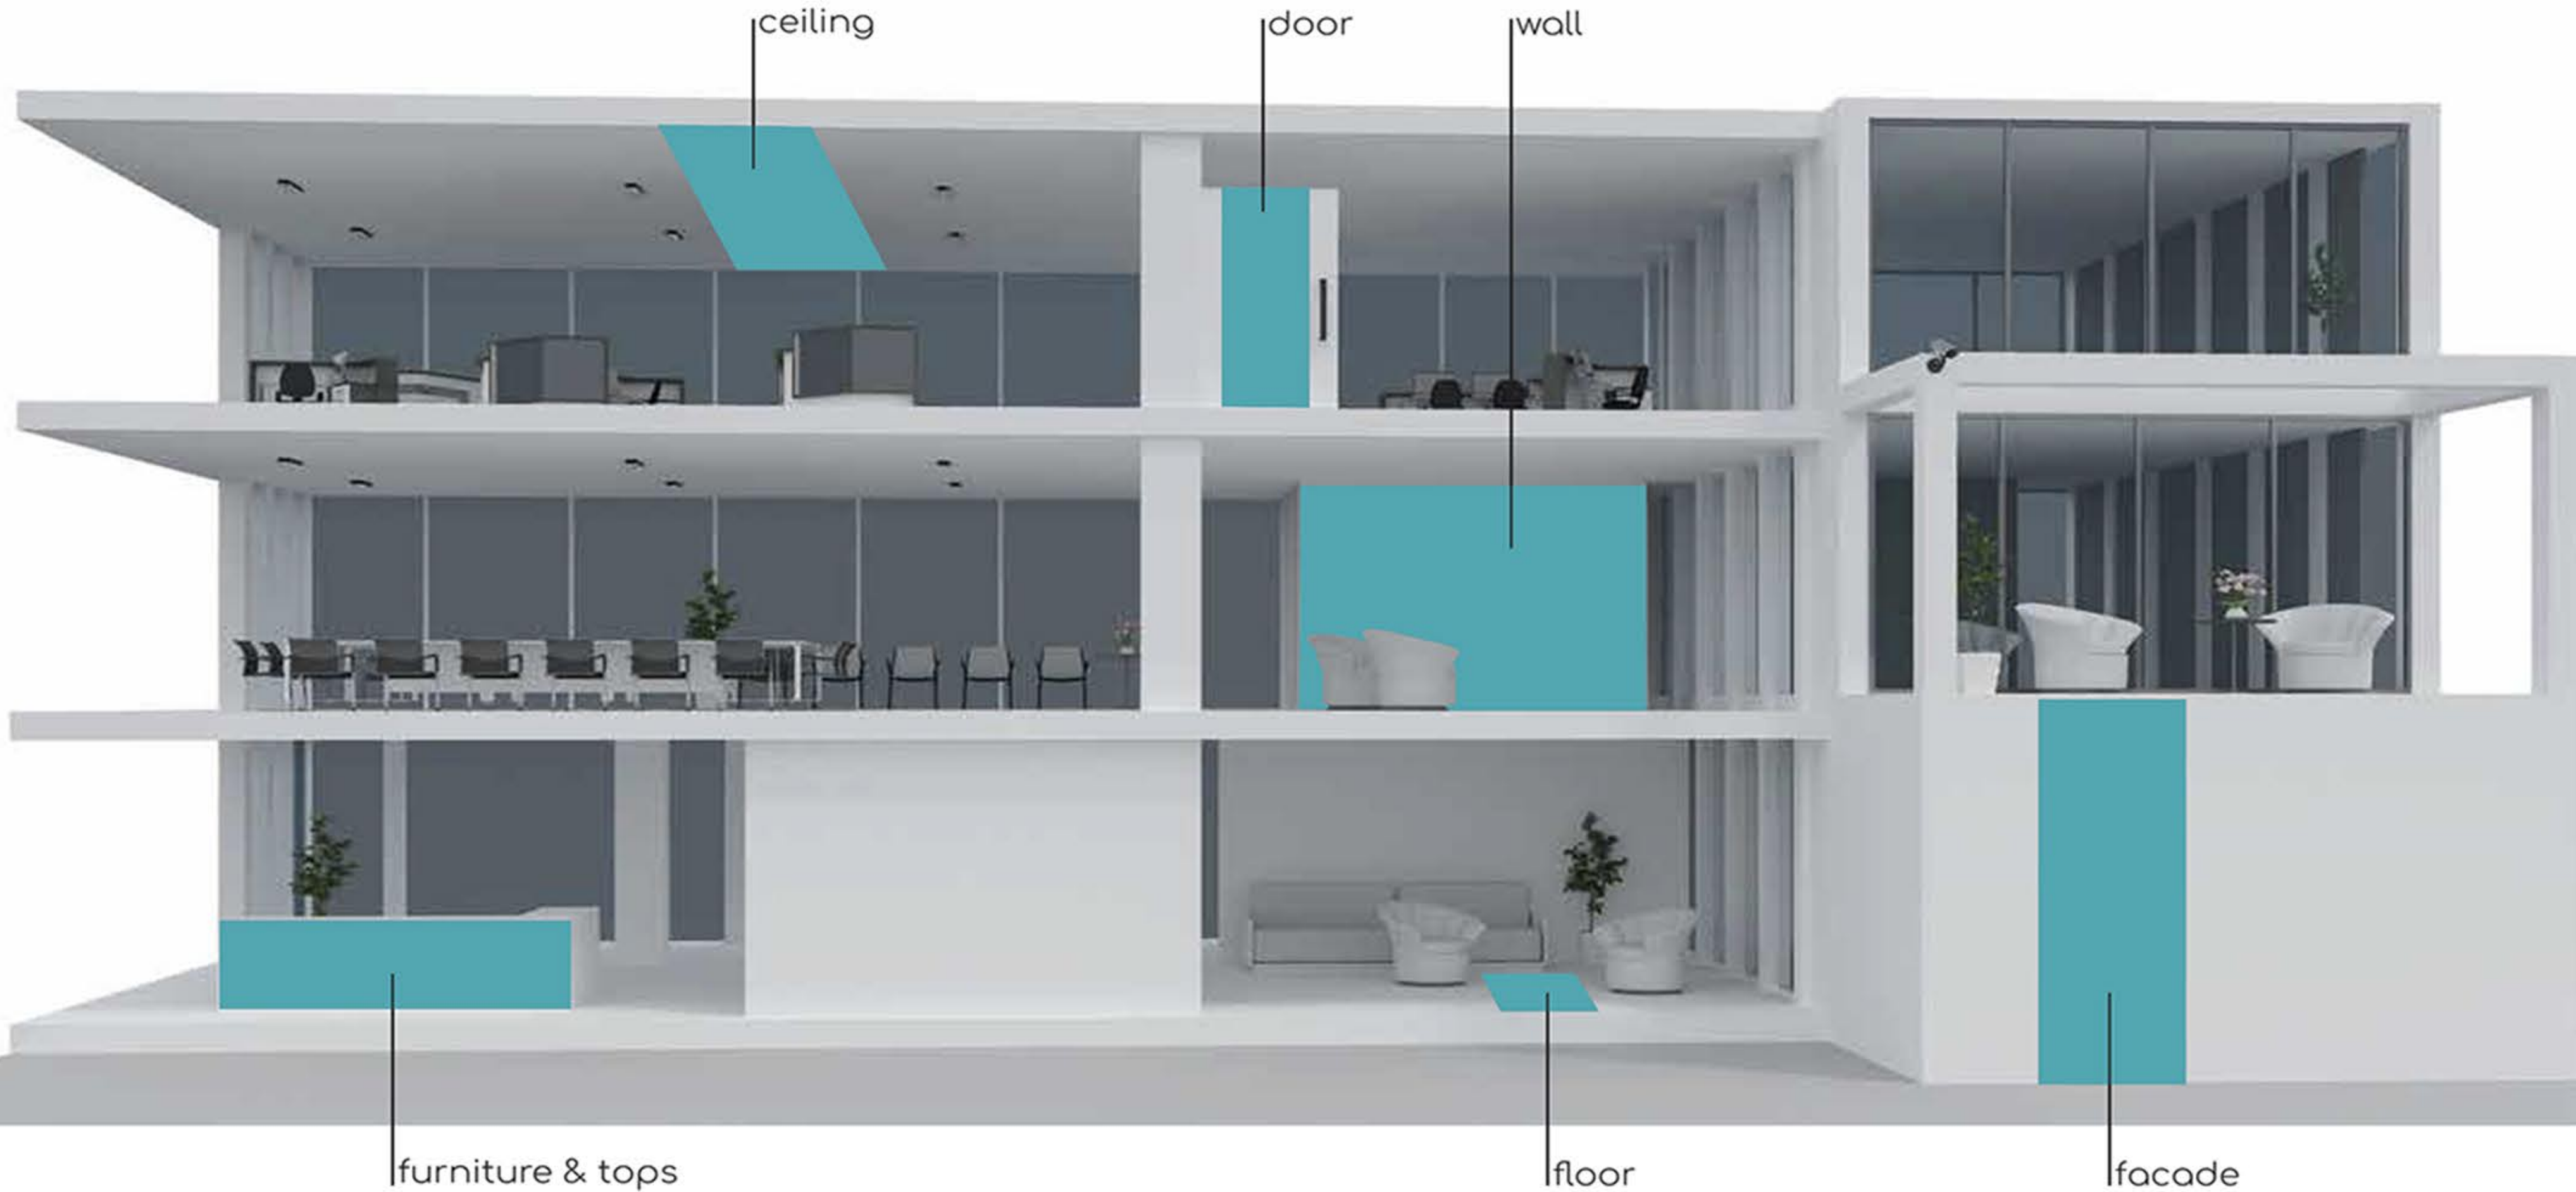

Rock is the wide collection that introduced marble inspired visuals into the krypton range.

### *Think elegant*

*The rock series is synonymous with quality and elegance. thank to the unique marble pattern and polished finish, the material has a delicate appearance that imbues spaces with contemporary character and a touch of sophistication*

# EVERYWHERE YOU LIKE

Taking account of the material's Key qualities, including strength, thermal shock resistance, low thickness and easy of working, the ROCK large-size slabs extends the fields of use of porcelain. The ROCK collection giving enormous creative freedom to architects and interior designer, who appreciate the versatility of this ceramic surface without limits.

## **CLASSIC AND CONTEMPORARY**

For centuries, marble has been an inspiration to architects and sculptors.

It is a very noble material that fascinates with its elegance and all that it means. We have created a series of collections of ceramic marble that capture the historical essence of marble, but adapting it to contemporary aesthetic trends.

*A design with the seal of elegance that only the real classics possess. Everlasting and eternal.*

## **A SEARCH FOR THE BEST MATERIALS**

We have traveled the whole world  
in order to find the most unusual,  
precious marbles

*From the passion to offer the most exclusive, unique  
materials, kripton ceramic marble collections are born.*
